

# Rural Alliance Logic Model

## The Rural Alliance by the Numbers

<p><b>History:</b>                  July 2010: First convened in Spokane as The Rural Alliance for College Success. The motivation was to make sure geography did not determine our students' postsecondary opportunities.</p> <p>Together we defined priorities and designed solutions to the obstacles rural students face in accessing equitable college and career access.</p> <p>Initiated projects that strengthen academic readiness in the core curriculum, increasing 21st century skills through social and emotional learning, and deepening engagement through personalized learning and improved guidance.</p> <p>Together, we built a sense of collegiality that has drawn new members into the Rural Alliance.</p> <p>June 2016: Initiated a strategic planning process for the Rural Alliance.</p>	<p>July 2010: Started with <b>35 founding districts</b> (invited community colleges, universities, and nonprofit organizations to combine efforts with us).</p> <p>Today in 2017: We partner with:</p> <ul style="list-style-type: none"> <li>• <b>70 districts</b></li> <li>• <b>46,508 students</b></li> <li>• <b>2,878 teachers</b></li> <li>• <b>15 colleges and universities</b></li> <li>• <b>22 education organizations and nonprofits</b></li> </ul> <p>All engaged in a continuum of services from early childhood to adulthood.</p>
